JUPITER

COLLEGE

JUPITER, THE PRESIDING DEITY OF LIGHT AND LIFE

Alma Mater

All hail, Alma Mater, dear Mother, to thee
Thy daughters true, faithful, and loyal will be.
Thy gentle instruction, thy nurturing care
Will lead them to cherish things lovely and fair.
Thy loving protection, thy influence so sweet,
Will go with them always, a guide to their feet.
All hail, Alma Mater, dear Mother, to thee
Thy daughters, true, faithful, and loyal will be.

Thy halls and arcades with their calm, classic air,
Thy campus with blossoms perennially fair,
Thy trees and thy fountain, thy vine-covered walls,
Will live in their memory whatever befalls.
Though far from thy care and protection they roam
They still hold thee dear as a well beloved home.
All hail, Alma Mater, dear Mother, to thee
Thy daughters, true, faithful, and loyal will be.

—JENNIE MASTERS TABB, *Class of 1893*

VIEWS

The Rotunda with its majestic dome rises in simple grandeur amid surroundings of red brick, white pillars, and evergreens.

The Colonnade with the Huntington equestrian statue of Joan of Arc is the connecting link between Student Building and White House Hall.

A view of the Colonnade adjoining White House Hall.

New Cunningham Hall, the home of the juniors and seniors, is the northwestern outpost of the campus.

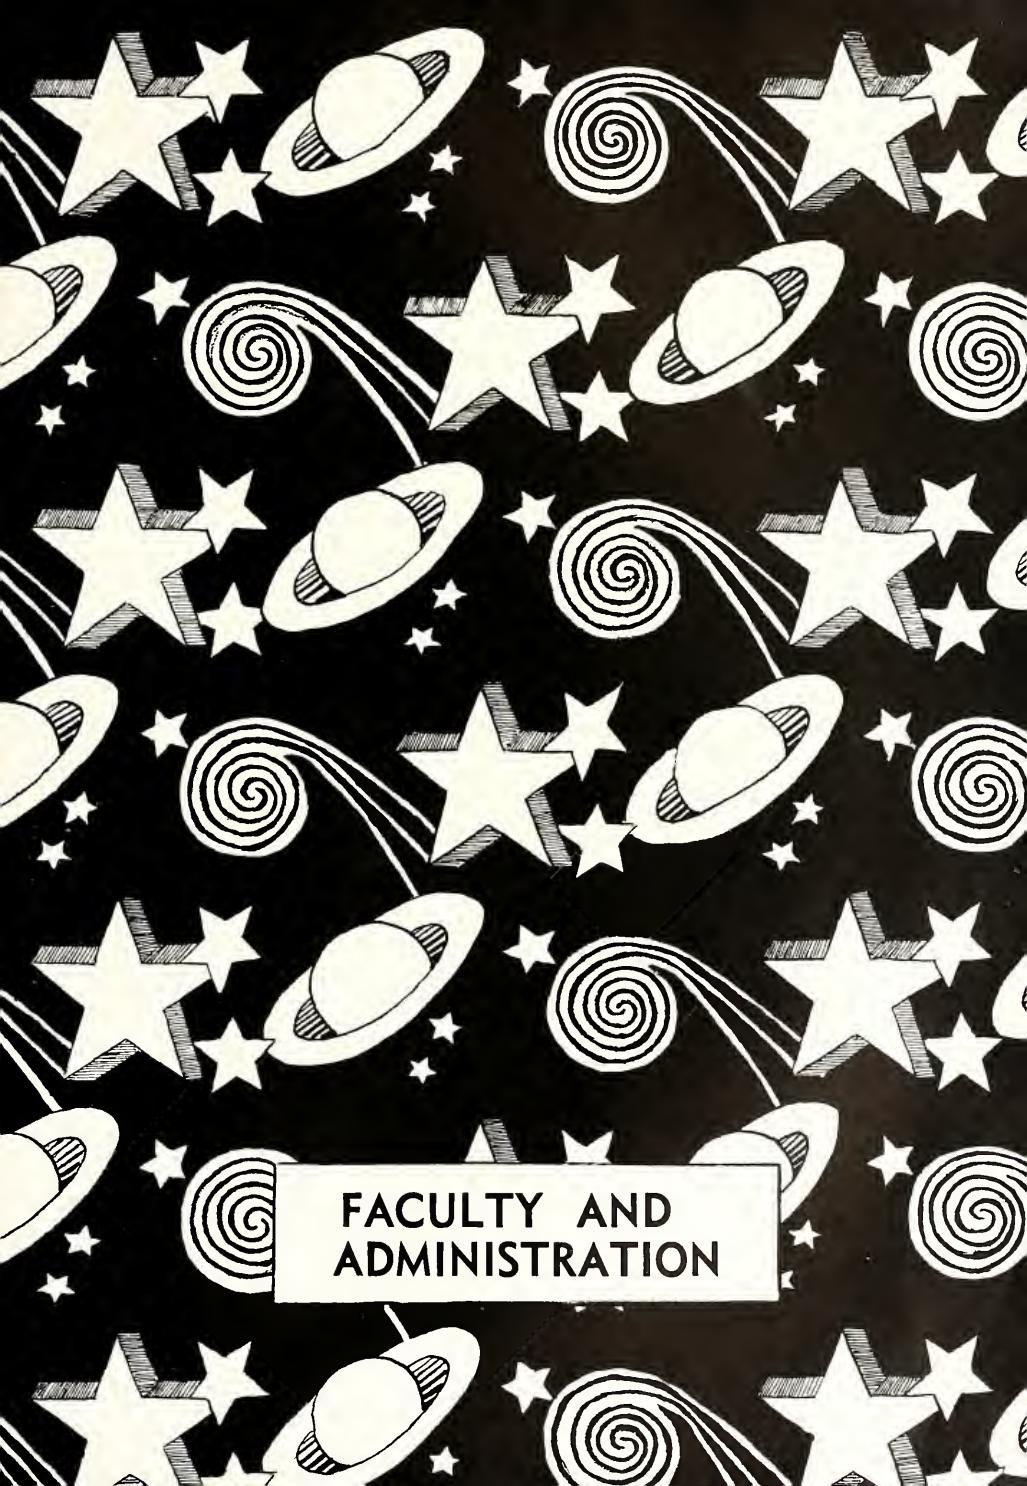

Student Building, with its spacious lounge, gymnasium, reception rooms, and offices, houses the chief activities of student life.

Through the classic beauty of its stately Doric columns, the Colonnade
is seen from Student Building.

Library Hall is dignified by its brick arches, its stately pillars,
and climbing ivy.

THE SWIMMING POOL AND ITS NYMPHS

A black and white illustration of a starry night sky. The background is filled with numerous white stars of different sizes. Several celestial bodies are scattered throughout the scene: some are small and resemble comets with long, wispy tails; others are larger and have prominent, dark, horizontal stripes across their centers, resembling the rings of Saturn. The overall effect is a dense, whimsical space-themed pattern.

SECURITY

SOUND managerial policies and long, successful experience have provided us with sufficient equipment, adequate personnel, and ample resources to render dependable service as artists and makers of fine printing plates. That you will be secure from chance, is our first promise.

THE IMPRINT of PRIDE

Bids for patronage on a basis of price alone get small response from people who know the true worth of good quality in PRINTING. They prefer to pay the slight difference in the cost of good printing over mediocre printing because of the vastly superior RESULTS obtained—and RESULTS, of course, are paramount.

•

BELL MADE ANNUALS are produced by skilled craftsmen to meet the most exacting requirements. But, measured by the standards of real service and satisfaction, they are, after all, the least expensive.
